PROFESSIONAL SUMMARY

Information Systems (Master Track) student at BINUS University with a 3.95/4.00 GPA, ranked in the top 5% of the School of Information Systems. Combines SQL and database skills, Excel analytics (Power Query, Power Pivot), foundational ERP knowledge (SAP S/4HANA, Oracle NetSuite) and business process modeling (BPMN, ERD, UML). Teaches database lab sessions to ~90 students, grades work against defined criteria, and led a ±60-member project team with timeline and budget accountability.

EDUCATION

Bina Nusantara University – Bachelor of Information Systems (Master Track) 2024 – Present

- **GPA 3.95/4.00** | School of Information Systems 2026 Excellence Awardee (top 5%) | 2025 Dean's List (top 25%)

SMAS Dian Harapan, Lippo Cikarang – Science Major 2021 – 2024

- Average Score: 87.79

TECHNICAL & ANALYTICAL SKILLS

ERP & Enterprise Systems: SAP S/4HANA (foundational); Oracle NetSuite (foundational)
Data & Databases: SQL/MySQL (queries, CRUD, relational database fundamentals); Oracle APEX; Microsoft Excel (PivotTables, Power Query, Power Pivot, XLOOKUP, INDEX-MATCH, data visualization)
Systems & Process Analysis: Requirements analysis; BPMN; use case, activity, ERD, class and sequence diagrams; Visual Paradigm
Other Tools: HTML, CSS, JavaScript; Figma (UI/UX design, wireframing, prototyping)
Core Competencies: Analytical Thinking, Problem Solving, Case Analysis, Project Coordination, Team Collaboration, Communication
Languages: Bahasa Indonesia (Native); English (Intermediate)

WORKING EXPERIENCE

Information System Laboratory Assistant (Part-Time) Feb 2026 – Present

- Facilitated Database Fundamentals and User Experience Research & Design lab sessions across 2 classes, reaching ~90 students; guided practical exercises and clarified technical concepts.
- Evaluated and graded assignments and final projects against course requirements, giving constructive feedback for improvement.
- Guided students through practical exercises, clarified technical concepts, prepared lab materials and resolved technical issues to keep sessions structured.

Student Mentor (Duta Binusian) – BINUS Student Advisory & Support Center (SASC) Feb 2026 – Aug 2026

- Mentored a student needing additional support in Information Systems coursework through structured one-on-one sessions, adapting the approach to the student's needs and monitoring progress.
- Guided the student in Algorithm and Programming and Business Application Development through structured sessions and concept clarification.
- **Student (Mentee) results:** achieved final grades of A (100/100) in Algorithm and Programming and B+ (83/100) in Business Application Development.

PT Fukuda Technology (Internship) Apr 2024 – May 2024

- Learned fundamental measurement techniques and observed how professional field technicians conduct accuracy verification.
- Observed operational and documentation practices that maintain precision and consistency; assisted in simple supervised measurement tasks, gaining early exposure to industrial standards and workflow discipline.

ACHIEVEMENTS & CERTIFICATES

- **Finalist, Agentic AI Hackathon 2026 (final round ongoing) –** Developed SIGAP, an agentic AI solution improving drug procurement forecasting and pharmaceutical planning in Indonesia.
- **Finalist, ITECHNOCUP 2026 International UI/UX Competition (Politeknik Negeri Jakarta) –** Designed and prototyped KIND, an integrated care platform supporting early dementia recognition, care management and family involvement.
- **Finalist, HACKFEST 2026 International UI/UX Competition (Universitas Ciputra) –** Led ideation and UI/UX prototyping of SkillFuel, an AI-based career ecosystem bridging the skill gap between graduates and industry.
- **Dedicated Laboratory Assistant (2026) –** recognized for outstanding dedication and teaching performance in IS lab operations.
- **School of Information Systems 2026 Excellence Awardee –** Formally recognized as part of the top 5% of students in the School of Information Systems based on academic performance.

- **Dean's List 2025 School of Information Systems –** Formally recognized as part of the top 25% of students in the School of Information Systems based on 2025 academic performance.
- **Mentor Scholarship Awardee, Duta Binusian – SASC BINUS (2026) –** selected to mentor fellow students through mentoring sessions, study-group facilitation and academic guidance.

ORGANIZATIONAL EXPERIENCE

Information Commission Coordinator of HIMSISFO 2026/2027 Feb 2026 – Present

- Lead coordination of internal information flow, communication updates and documentation support within HIMSISFO BINUS @Kemanggisan.
- Supervise Commission members in preparing announcements, information dissemination and communication materials, ensuring timely, structured delivery that supports cross-division collaboration.

Member, Information Systems Case Study Club (ISCSC) Feb 2026 – Present

- Developed analytical and problem-solving skills through structured training and competitions that solve real business case problems.
- Collaborated with members to analyze cases and build recommendations; developed familiarity with case-solving frameworks, issue structuring and hypothesis-driven thinking.

Advisory Board, Pengabdian kepada Masyarakat (PkM) HIMSISFO 2026 Mar 2025 – Jul 2026

- Provided strategic guidance and feedback to the Logistics team, drawing on prior organizational and event management experience.
- Advised logistics planning and operational preparation for a multi-region community program across Greater Jakarta, Semarang and Medan, reaching ~300 students.
- Worked with the Event Supervisor and committee to align logistics with organizational objectives, university regulations and quality standards, and to keep planning consistent across all three regions.

Coordinator, Support Division – GERAK HIMSISFO 2026: VIBEZ Mar 2025 – Jun 2026

- Coordinated the Support Division in preparing and executing a two-day organizational development and bonding program involving members across HIMSISFO regions.
- Managed team responsibilities and operational support for briefings, collaborative sessions, games and participant engagement, working with the Project Manager and cross-divisional teams.
- Supported delivery of a hybrid event enabling participation from Jakarta, Semarang and Medan.

Project Manager, Farewell Party HIMSISFO 2026: FILM Mar 2025 – Feb 2026

- Led 6 divisions with ±60 members across multiple regions to organize the internal Farewell Party HIMSISFO 2026.
- Coordinated timeline, budgeting, venue planning and cross-division communication to keep progress on track.
- Oversaw end-to-end planning: budgeting, creative direction, logistics and communication.

Coordinator, Publication & Documentation – PKM HIMSISFO 2025: SPARK Mar 2025 – Jul 2025

- Led a 6-member team producing multimedia coverage for a 5-day program with 80+ participants.
- Delivered all documentation within timeline, supporting event evaluation and post-event media releases.
- Directed the creative theme, visual style and workshop materials, ensuring consistency across all event outputs.

Staff Roles, HIMSISFO 2025 Mar 2025 – Nov 2025

- **Publication & Documentation, SELCAVIS: PRODIGI (May–Nov):** produced and edited photo/video documentation for a selection program of ±150 participants.
- **Support Division, Welcoming Party: VENTURE (Apr–Oct):** supported operations and participant flow for 300+ new activist candidates.
- **3rd Commission (Information) Activist (Mar–Jul):** designed Instagram Story content for event announcements and internal communication.
